

eBenefit

General app by LGI

Prosedur Aktivasi

Account Activation Procedure

Pastikan alamat email Anda sudah terdaftar pada sistem kami. Silakan hubungi marketing kami untuk mendaftarkan email Anda pertama kali.

Make sure you have registered your email in our system. Please contact our marketing to register your email for the first time.

Buka Aplikasi "eBenefit General" & Klik "Aktivasi".

Open eBenefit General App and click "Activation".

Aktivasi

Masukkan email yang sudah didaftarkan pada sistem dan buat password pribadi Anda, kemudian klik "Aktivasi".

Input your registered email address & create your own password, then click "Activation".

Hanya apabila email Anda sudah terdaftar dalam sistem kami, kode verifikasi akan terkirim ke email Anda.

Once your email address has been registered, verification code will be sent to your email.

Buka email Anda dan masukkan Kode Verifikasi yang Anda terima, kemudian klik "Verifikasi". Akun Anda akan aktif dan siap digunakan. Jika kode tidak terkirim ke email Anda klik "Kirim Ulang Kode", pastikan Anda juga mengecek folder spam apabila email verifikasi tidak masuk di inbox.

Open your email and input the verification code you received then click "Verification". Your account will be activated and ready to use. If the code is not sent to your email, click "Resend Code", please check your Spam folder if you don't see the email in your Inbox.
